The following disclosures are hereby made a part of this proposal. Please review these disclosures prior to signing the proposal acceptance agreement or e-mail confirmation.

Proposal Disclaimer: IMPORTANT: The proposal is an outline of certain terms and conditions of the insurance proposed by the insurers, based on the information provided by your company. It does not include all the terms, coverages, exclusions, limitations, conditions of the actual policy contract language. The insurance policies themselves must be read for those details. Policy forms for your reference will be made available upon request.

Compensation Disclosure: One of the core values highlighted in The Gallagher Way states, "We are an Open Society," and our open society extends to the compensation Gallagher receives. For more information on Gallagher's compensation arrangements, please visit <http://www.ajg.com/compdisclosure>. In general, Gallagher may be compensated as follows:

1. Gallagher Companies are primarily compensated from the usual and customary commissions or fees received from the brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively "insurance coverages") handled for a client's account, which such commissions and fees may vary from company to company and insurance coverage to insurance coverage. As permitted by law, Gallagher companies occasionally receive both commissions and fees. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher Companies may participate in contingent commission arrangements with intermediaries and insurance companies that provide for additional contingent compensation if underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company, not on an individual policy basis. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company.
2. Gallagher Companies may also receive investment income on fiduciary funds temporarily held by them, such as premiums or return premiums.
3. Gallagher Companies may access other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace. Gallagher Companies may own some of these facilities, in whole or in part. If such a facility was utilized in the placement of a client's account, the facility may have earned and retained customary brokerage commission or fees for its work.
4. Gallagher assists its customers in procuring premium finance quotes and unless prohibited by law may earn compensation for this value added service.

If you have specific questions about the compensation received by Gallagher and its affiliates in relation to your insurance placements, please contact your Gallagher representative for more details.

In the event you wish to register a formal complaint regarding compensation Gallagher receives from insurers or third parties, please send an email to Compensation_Complaints@ajg.com or send a letter to:

Proposal Disclosures (Continued)

Actuarial Disclaimer: The information contained in this proposal is based on the historical loss experience and exposures that were provided to Arthur J. Gallagher & Co. This proposal is not an actuarial study. Should you wish to have this proposal reviewed by an independent actuary, we will be pleased to provide you with a listing of actuaries for your use.

Terrorism Act TRIA/TRIPRA Disclaimer – If this proposal contains options to purchase TRIA/TRIPA coverage, the proposed TRIA/TRIPRA program may not cover all terrorism losses. While the most recent legislation eliminated the distinction between foreign and domestic acts of terrorism, a number of lines of coverage excluded under the TRIEA legislation passed in 2005 remain excluded including commercial automobile, burglary and theft insurance; surety insurance, farm owners multiple perils and professional liability (although directors and officers liability is specifically included). If such excluded coverages are required, we recommend that you consider purchasing a separate terrorism policy. Please note that a separate terrorism policy for these excluded coverages may be necessary to satisfy loan covenants or other contractual obligations.

Confidentiality Statement: Where permitted by law, we consider as confidential any information presented by Arthur J. Gallagher & Co. in this proposal as well as other verbal and written communications between our organizations. We ask that other brokers not have access to our material and that information presented in this proposal be shared only with those who have a need to know within your company. We make our commitment to you that information already received from you, and any additional information to follow, will be treated with the same high level of respect and confidentiality.

We will not be operating in a fiduciary capacity, but only as your broker, obtaining a variety of coverage terms and conditions to protect the risks of your enterprise. We will seek to bind those coverages based upon your authorization; however, we can make no warranties in respect to policy limits or coverage considerations of the carrier. Actual coverage is determined by policy language, so read all policies carefully. Contact us with questions on these or any other issues of concern.

Some carriers pay Gallagher supplemental or contingent commissions in addition to the policy commission. Contingent commissions are typically contingent upon performance factors such as growth, profit, volume or retention, while supplemental commissions are not. These supplemental or contingent commissions may range from less than 1% up to 10 % of the policy premium. Please refer to the Contingent and Supplemental Commission Disclosure or contact your Gallagher representative for additional information.

(1) The commission rate is a percentage of annual premium excluding taxes & fees.

Contingent and Supplemental Commission Disclosure

Effective October 1, 2009, Arthur J. Gallagher & Co., and its subsidiaries operating as insurance agents/brokers under the corporate holding company known as Arthur J. Gallagher Brokerage & Risk Management Services, LLC, resumed participating in contingent commission arrangements which are routinely offered by insurance companies and intermediaries to agents and brokers, after voluntarily foregoing the benefit of this type of compensation since January 1, 2005. Contingent commission arrangements provide for additional compensation if certain underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company and/or through the intermediary, not on an individual policy basis. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company.

During the time Gallagher's retail operations did not accept contingent commissions, some insurance markets and intermediaries, including Gallagher owned intermediaries, modified their commission schedule with Gallagher, resulting in an increase in some commission rates. The additional commissions, commonly referred to as "supplemental commissions", are known at the effective date of the policy, but some intermediaries and insurance companies are paying the commission increase apart and later from when the commission is normally paid at policy issuance.

Unlike contingent commissions, supplemental commission payments are determined **without** regard to any performance factors which are contingent on future growth, retention, profitability, etc.

Contingent and supplemental commission ranges from less than 1% up to 10% of written or earned premium on eligible lines of business (not all lines of business qualify).

NOTE: Upon request, your Gallagher representative can provide more specific market information regarding contingent and supplemental commission related to your insurance coverage.
